Dear Tsianina:

Fine to have your feather from the wing. I am glad you and Charlie Cadman are having your fall migration and cheering up and enlightening the East - which needs you both, God knows.

It will be good to see you here in January and February; and you must not fail to save an evening for me, so that we can have a "Noise."

Thank you for the order for yourself. You shall have it as soon as it comes from the printers - in about three weeks, and I will autograph it and so shall Farwell.

Wishing you a happy and prosperous season, and looking forward with great joy to seeing you again in God's Country, and with love,

Always your Friend,

CFL/R

TSIANINA

Enroute

dear Mr. Lummis:- Your note and enclosures about your new book of "Spanish Songs of Old California" has reached me enroute. Mr. Cadman is with me and this Fall season will keep us busy until middle December.

We will be in California again during next January and February, and I hope I will have the pleasure of seeing you then.

I will see that the two enclosures you sent are placed in the hands of persons that will place orders for your new book, and I will do everything possible to interest others that I come in contact with. I also want a book for my personal use, and I want you and Mr. Farwell to autograph the book to me personally. Upon receipt I will send you my check. But do not fail to autograph it, and send it to my St. Louis address just as soon as possible.

I am so glad that you are getting along so nicely and getting stronger. I am wishing for you the very best of health and success. Remember me kindly to Mr. and Mrs. Farwell, and sincere personal regards to you and Mrs. Lummis.

Now do not fail to send me the book just as soon as possible, and please autograph it to me and have Mr. Farwell also autograph it.

Tsianina,
2847 A North Grand Blvd.,
St. Louis, Mo.

Most sincerely,

Tsianina
